

# Feeling Swell Increased Revenue By 578% In 2 Months Through Facebook Advertising

Feeling Swell is a surf brand dedicated to building a healthy community that live by their values of optimism, community, and kindness.

Being ready to grow even more, Feeling Swell reached out to KlientBoost to help them boost their sales. **Within 2 months, KlientBoost was able to increase Feeling Swell's revenue by 578% and their Facebook purchases by 521%.**

## How We Did It:

- Facebook Power 5
- Promo/Offer
- Custom Audiences
- Geo-Targeting

## The Results

↑ **521%**  
Increase in Purchases

↑ **108%**  
Increase in ROAS

↑ **578%**  
Increase in Revenue

"As an inexperienced team, we needed to consult with experts on Facebook Ads. We realized there was potential to generate revenue through Facebook advertising. We have a conversational relationship. KlientBoost knowledgeably answers our questions. We've seen increased traction and understanding of our program on a broader scale from our Facebook Ads campaigns. We have a weekly call during which they give us advice while looking into our account. They're organized, responsive, and flexible."
