

How StickyBunny Stuck Out From The Competition While Boosting Sales By 1166% & ROAS By 350%

Specializing in the collaboration of gaming accessories and e-sports culture, StickyBunny strives to offer quality gaming products for both casual and competitive gamers alike.

StickyBunny needed help for their PPC campaigns in Google and Facebook. KlientBoost was able to quickly and consistently increase KPIs and with that, drive sales and revenue. Since starting with KlientBoost, StickyBunny has **increased sales by 1166%** and **increased ROAS by 350%**.

How We Did It:

- Gold Pan Google Shopping Technique
- Facebook Carousel Ads
- Facebook Lookalike Audiences
- Google Ads Maximize Click Strategy

The Results

↑ 1166%
Increase in Sales

↑ 350%
Increase in ROAS

↑ 270%
Increase in Conversion Rate

"The KlientBoost team has always had great communication and was always very professional. For Google and Facebook, we saw great improvements in a very short amount of time and we were getting the strategy and thought leadership we needed to be successful."

Steve Tandiyo - Marketing Director | StickyBunny
